RE: Reclamation Surety
Crystal Mine
ACT/045/010
Tooele County, Utah

Dear Mr. McFarland:

The Division of Oil, Gas and Mining has advised Commercial Union Insurance Companies (CUIC) that they may not cancel Bond No. and that it must remain in full force and effect until such time as the Division releases the operator and surety from further obligations as required by the Utah Mined Land Reclamation Act (Title 40, Chapter 8, Utah Code Annotated 1953).

Regardless of the situation, whether CUIC continues bond coverage or not, McFarland & Hullinger will still be held liable to provide a reclamation surety and perform the necessary actions relative to the approved mining and reclamation plan.

Should you have any questions regarding this action, please call.

Sincerely,

JAMES W. SMITH
COORDINATOR
MINED LAND DEVELOPMENT
